Marietta Eye Clinic Charges for Copies of Medical Records

POLICY:

Original records that contain Protected Health Information (PHI) that are created or collected by and maintained at Marietta Eye Clinic are the property of the healthcare provided. As a patient, you do not really own your records. Georgia law requires a physician to provide a current copy of the record to the patient upon written request. O.C.G.A. section 31-33-2(a). Also, O.C.G.A. section 31-33-2(b) allows a patient or his/her designee to receive a copy of the requested records. State law permits us to charge patients a fee for copying and mailing medical records in order to help recoup physician cost associated with copying. The statute allows a charge for each records are not in paper form (i.e. x-rays), we can charge the actual cost of reproduction.

PROCEDURE:

1. Access to patient's records. Marietta Eye Clinic limits access to a patient's medical records to:
 - a. The patient;
 - b. The patient's health care providers;
 - c. Individuals and entities who are authorized by law or by the patient's written authorization to access the patient's records.
2. Medical record retrieval time. Medical records cannot be provided to patients on a walk in basis. Per current HIPPA federal statutes, our practice is granted 30 days from the time of the request to produce copied of medical records.
3. Fees. Applicable coping fees must be prepaid prior to the release of medical records. Please see below costs. The exceptions to charging for medical records are as follows:
 - a. Patients our physicians are referring to a consulting provider will not be charged for their medical records.
 - b. Primary care physicians or referring physicians requesting medical records will not be charged for copies.
